The United States Heritage Award was designed by scouts and adults to give youth recognition for learning about the heritage of the United States of America, and being involved.

By completing the United States Heritage Award, it is hoped greater understanding and pride of our nation will prevail. A medal and a patch can be awarded to all that successfully complete the award requirements. All requirements can be done with a unit, group, family, or individually.

A lot of effort went into the creation of this award. With the events that have touched our nation this past year, it resolved us even more to complete the project that we had already started.

Given this opportunity to help others, net proceeds will be given to America's Fund for Children and children's charities.

The United States Heritage Award has two different award levels:

- [Silver](#) award is for youth ages 6-10
- [Gold](#) award is for youth aged 11-18.

Adults can also earn the gold award if they complete the requirements and assist a youth in earning the United States Heritage Award.
